DES- IRABLE INFLUENCE

The ceramic era inspired the idea of the glossy collection, which combines visual complexity the quality of the "aged" ornamental and the linear severity of the geometric de-cows. Soft beige and gray tones, a panel with a multi-layered floral pattern design and water color stripes of decorative elements everything is created to create a calm yet brightly individual interior with interesting ac-cent parts.

THE ELEGANT CHOICE FOR

Endless Spaces

Accent Collection | Glossy Finish

Glossy tiles are a type of tile that has a continuous vein pattern that runs across the tiles. This means that the tiles can be installed in any direction without disrupting the pattern. Endless tiles are a popular choice for both residential and commercial applications because they can create a seamless and elegant look.
